

PACE

Alumni

Association

• • • Staying Connected

- **WHO WE ARE:** We are former clients of PACE, Inc. who want to stay connected and give back what has been given to us. We were founded to help maintain continued sobriety and support of other alcoholics and addicts.
- **WHAT WE DO:** We share our stories of experience, strength and hope during monthly client groups, holiday events, participate in our annual alumni picnic and food drive for PACE Inc. clients.

The following information will only be used by members of the PACE ALUMNI ASSOCIATION (**Please print clearly**)

NAME: _____

EMAIL: _____

If you do not have email, please notify PACE when you do or download this form from their website at a later date.

Activities you are interested in:

- PACE Ambassador Program (temporary sponsor list – you will be contacted for additional information)
- Speaking at PACE, Inc. monthly client commitments and holiday events
- Help with set up, prepare and provide food and participate in the fellowship at PACE, Inc. holiday events
- Help with annual PACE ALUMNI picnic in August

The nature of the business at PACE, Inc. involves confidential and personal information about many individuals. Federal regulation: (42 CFR part 2) prohibit you from making any disclosure about patients without written consent.

I understand and agree that:

1. I will not reveal the name of any current or former patient of PACE, Inc. to anyone outside the PACE Alumni Association or PACE staff.
2. I will not share information, even anonymously, about a current or former patient to anyone outside the PACE Alumni Association or PACE staff.
3. I am aware that I am personally liable, should I violate the confidentiality of any patient. I further understand that violation of these principles will be ground for immediate termination from the PACE Alumni Association.

Signature: _____ Date: _____

PACE ALUMNI ASSOCIATION is a non-profit organization, independent of PACE, Inc. founded for the continued sobriety and support of alcoholic and drug addicts
